

Hospital Services

That Improve Your Hospital
Pharmacy Business

At Pharma Logistics, we specialize in pharmaceutical reverse distribution, handling the return credit process for hospital pharmacies and other healthcare providers across the nation. Whether you need a convenient way to ship your expired products for credits, are looking to get credits more quickly or would like more visibility into the status of your returned products, we have a service to ensure your compliance and improve your profitability.

Box & Ship Benefits for Hospitals

- ▶ Ship pharmaceutical returns on your own schedule
- ▶ Save time using the provided prepaid shipping labels and tamper-proof bags
- ▶ DEA Form 222 provided
- ▶ Stay compliant with all local, state and federal laws
- ▶ Collect payment for pharmaceutical returns
- ▶ Online Client Portal for 24/7 access to enterprise-wide reporting

Onsite Benefits for Hospitals

- ▶ Save time and labor—we handle the entire process
- ▶ Local, bonded Field Service Representatives with more than 100 hours of training come on site to handle returns
- ▶ Same-day DEA Form 222 completion
- ▶ In-person account summaries
- ▶ Online Client Portal for 24/7 access to enterprise-wide reporting
- ▶ Stay compliant with all local, state and federal laws
- ▶ National service coverage
- ▶ Controlled substance returns

Rapid Credit Benefits for Hospitals

- ▶ Receive reimbursement within 14 days from the day your product arrives at our facility
- ▶ Boost cashflow and generate reoccurring revenue
- ▶ Upfront payment eliminates time spent on reconciliation
- ▶ The risk of a decrease in product return value, due to changes in manufacturer policies, is transferred from your pharmacy to Pharma Logistics
- ▶ Accurate, predictive calculations of ERV mean higher prefunded payments
- ▶ Use our Rapid Credit Program with both our Onsite and Box & Ship services
- ▶ Online Client Portal for 24/7 access to enterprise-wide reporting

Additional Hospital Services

Streamline Your Pharmaceutical Services
