

Who is Pharma Logistics?

The Reverse Distribution Experts You Can Trust

Pharma Logistics is a pharmaceutical reverse distribution company dedicated to delivering the highest quality service. You may not know us...but rest assured, we know you. For more than twenty years, we have been helping hospitals and healthcare systems just like yours to achieve regulatory compliance and financial accountability. We pride ourselves on our industry knowledge and ability to increase your hospital return on investment. **Here's why others have put their trust in us.**

What We Provide

- **Precision Reporting**
Online Customer Portal to drive process improvements through efficient and effective data reporting tools that build business intelligence, enabling you to make better decisions.
- **Dedicated Support Team**
Customer advocate to ensure smooth implementation of services, partnered with industry leading software to help you reduce the volume of returned goods while making you more cost-efficient and profitable.
- **Credit Assurance**
Service Fee Guarantee ensures our customers receive the service and credit rate expected.
- **Expedited Cashflow**
Rapid Credit Program offers customers a cost-effective solution AND delivers credits within just 14 days compared to the industry standard of 12+ months.

How it Benefits Your Hospital

- **Financial Accountability**
Boost your hospital ROI, improve collection rates and reduce reconciliation time by up to 25 hours per month. Gain actionable insights into regulatory compliance and financial accountability.
- **Operational Efficiency**
24/7 access to our Online Customer Portal provides real-time visibility into the return process, so you never have to wonder about the status of your return. PharmaWaste services means you have a single source for creditable and non-creditable returns.

The Company We Keep

They say you can tell a lot about a business by the company they keep. We're proud to have earned the trust of many well-respected organizations including hospital pharmacies, Department of Defense, independent pharmacies, pharmacy chains and physicians' offices across the country. That's because we make it our mission to deliver superior customer service each and every time. And, we can do the same for you.
